Nature of Information Provided

- All recommendations and information shared during consultations represent the opinion and personal expertise of the agent, based on their education, experience, and training in feline behavior, wellness, and nutrition.
- Information provided is **not a substitute for veterinary diagnosis or treatment**, and **should not be interpreted as such**.

Scope of Service

- Kitty Kisses Concierge, LLC cannot diagnose medical conditions or diseases, nor prescribe or administer medications, in accordance with state and federal veterinary regulations.
- If at any point the agent believes the cat's condition or circumstances require medical intervention, the Client will be referred to their primary care veterinarian or to emergency veterinary services as appropriate.

Collaboration with Veterinary Providers

Kitty Kisses Concierge, LLC welcomes the opportunity to work as part of your cat's care team.

- Consultations may be conducted in collaboration with the Client's primary care veterinarian.
- At the Client's or veterinarian's request, summaries or details of the consultation may be forwarded to either party for record-keeping or follow-up care.

Client Acknowledgment

By engaging in a consultation with Kitty Kisses Concierge, LLC, the Client understands and agrees that:

- All information shared is given in good faith and to the best of the agent's professional knowledge.
- The consultation is **advisory in nature** and is not intended to replace or override veterinary medical care.
- Any concerns regarding the health, safety, or urgent needs of the cat should be directed to a licensed veterinarian immediately.
